September 22, 2014

Dear Parents,

Just a few reminders as we head into the end of September -

1) **Summer Reading Books:** Please return the books your child brought home last June to enjoy over the summer. The PTA will reorganized these books and make available for next summer's reading adventures.

2) **Scholastic Book Order:** Our first order is due this Thursday, September 25th. Each order that you place earns our classroom bonus points. As bonus points build, we are able to select books students are interested in for the classroom library and other instructional resources that support our curriculum units. If you'd like to place your order online, go to **Scholastic.com** and enter our **classroom number LYMY3.**

3) **Parent/Teacher Conferences:** If you didn't get a chance to sign up for a conference at Curriculum Night, please email me with your first and second choice of date/time (available times listed below). Conferences provide us with time to review all the fall testing results and your child's progress through the first marking period.

4) **Classroom Website:** Remember to visit our classroom website - msstanesa.weebly.com. The "Weekly Happenings" tab is where I post the latest and greatest news at least once a week. Here you will find links to handout, curriculum letters, educational resources and any other information I think you will find helpful.

Thanks for support!
